

AprilTag tag36h11 | ID 000 | Kitchen reserve

Outer black square: 200 x 200 mm (20 x 20 cm)

White quiet zone: at least 25 mm on every side. Keep it blank.

PRINT AT 100% / ACTUAL SIZE on 11 x 17 inch paper.

Disable fit-to-page, shrink, borderless expansion and stretching.

Measure BOTH outer black-square sides after printing: each must be 200 mm.

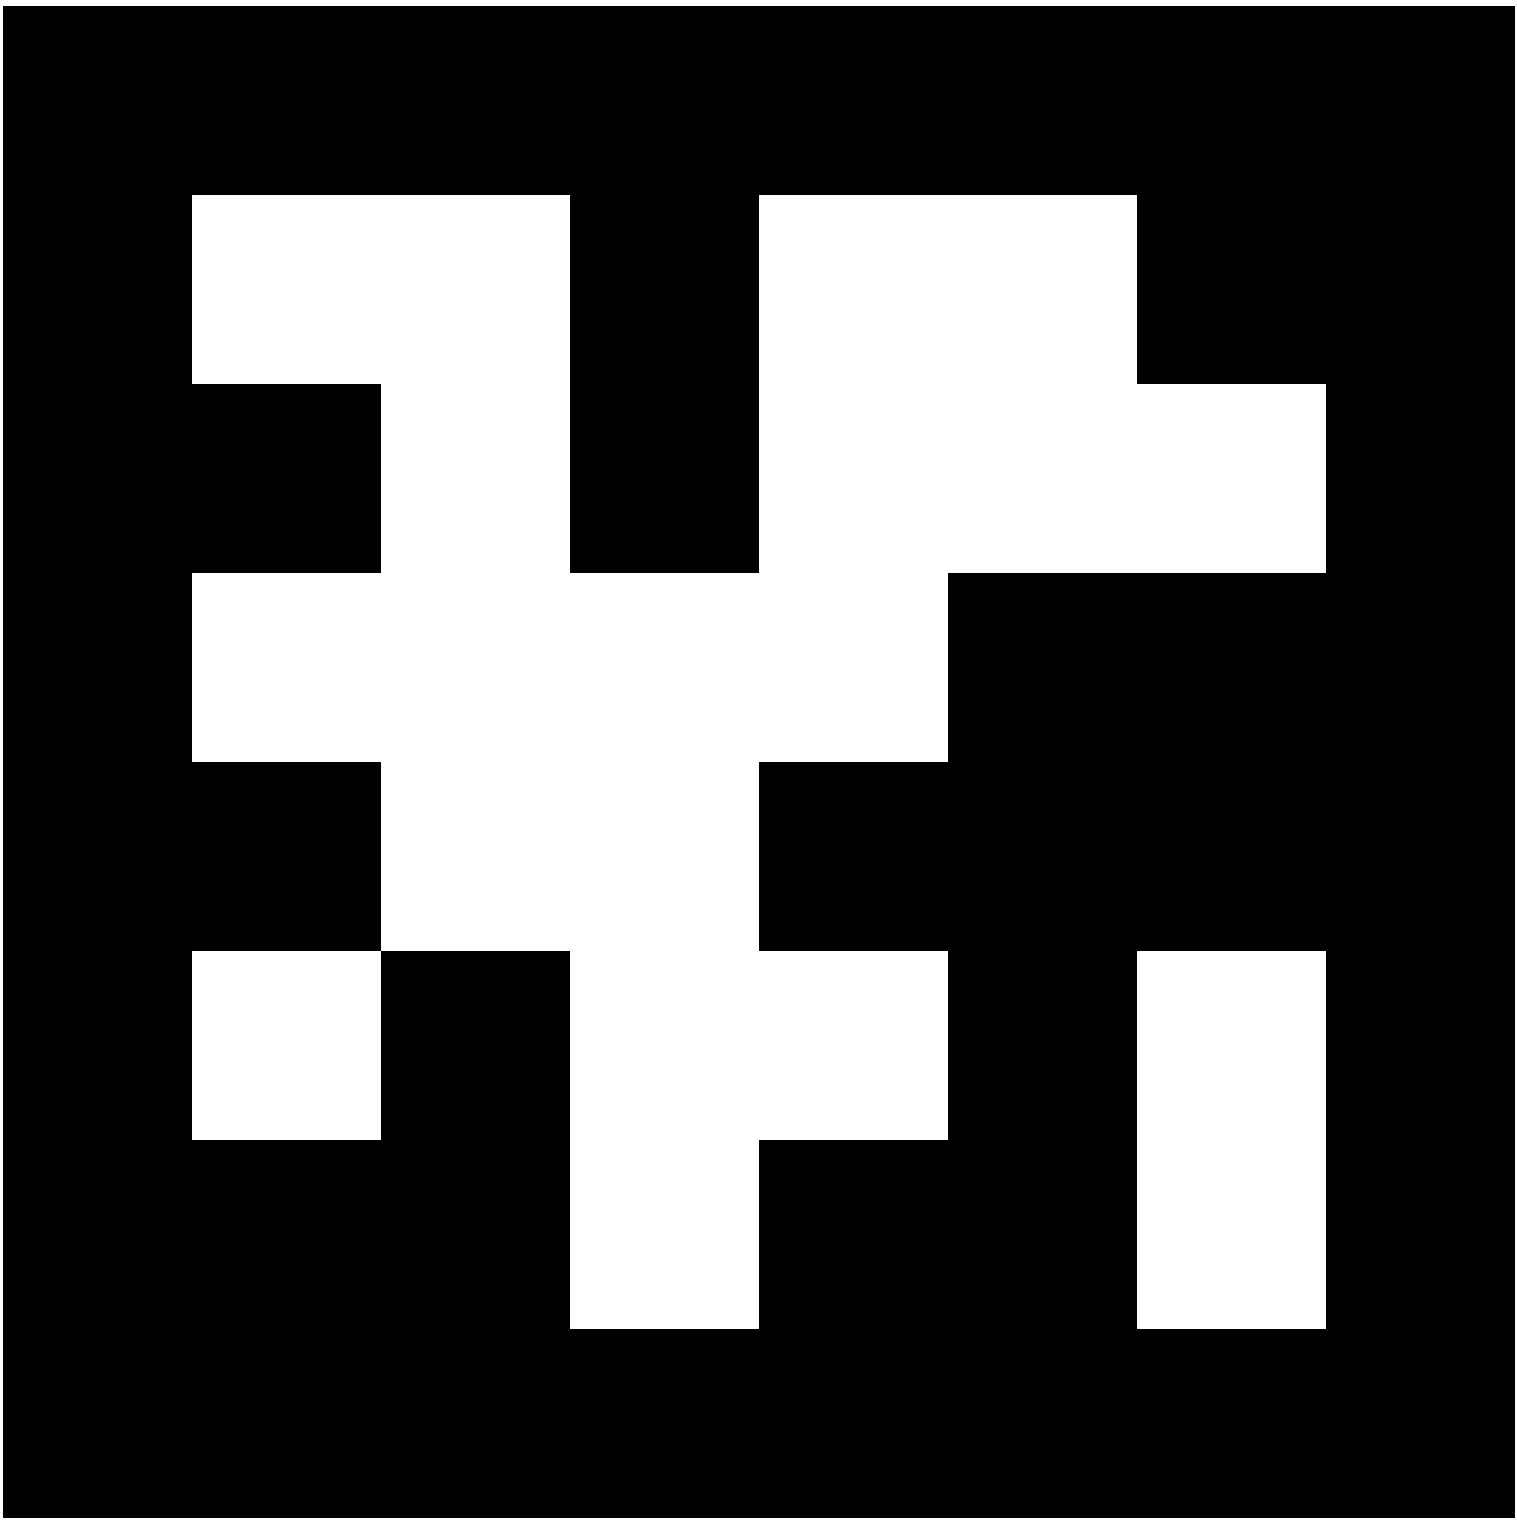

Record measured dimensions in the tag inventory / tags.yaml.

Print one sample first. Use matte, flat mounting. Do not duplicate installed IDs.

AprilTag tag36h11 | ID 001 | Kitchen reserve

Outer black square: 200 x 200 mm (20 x 20 cm)

White quiet zone: at least 25 mm on every side. Keep it blank.

PRINT AT 100% / ACTUAL SIZE on 11 x 17 inch paper.

Disable fit-to-page, shrink, borderless expansion and stretching.

Measure BOTH outer black-square sides after printing: each must be 200 mm.

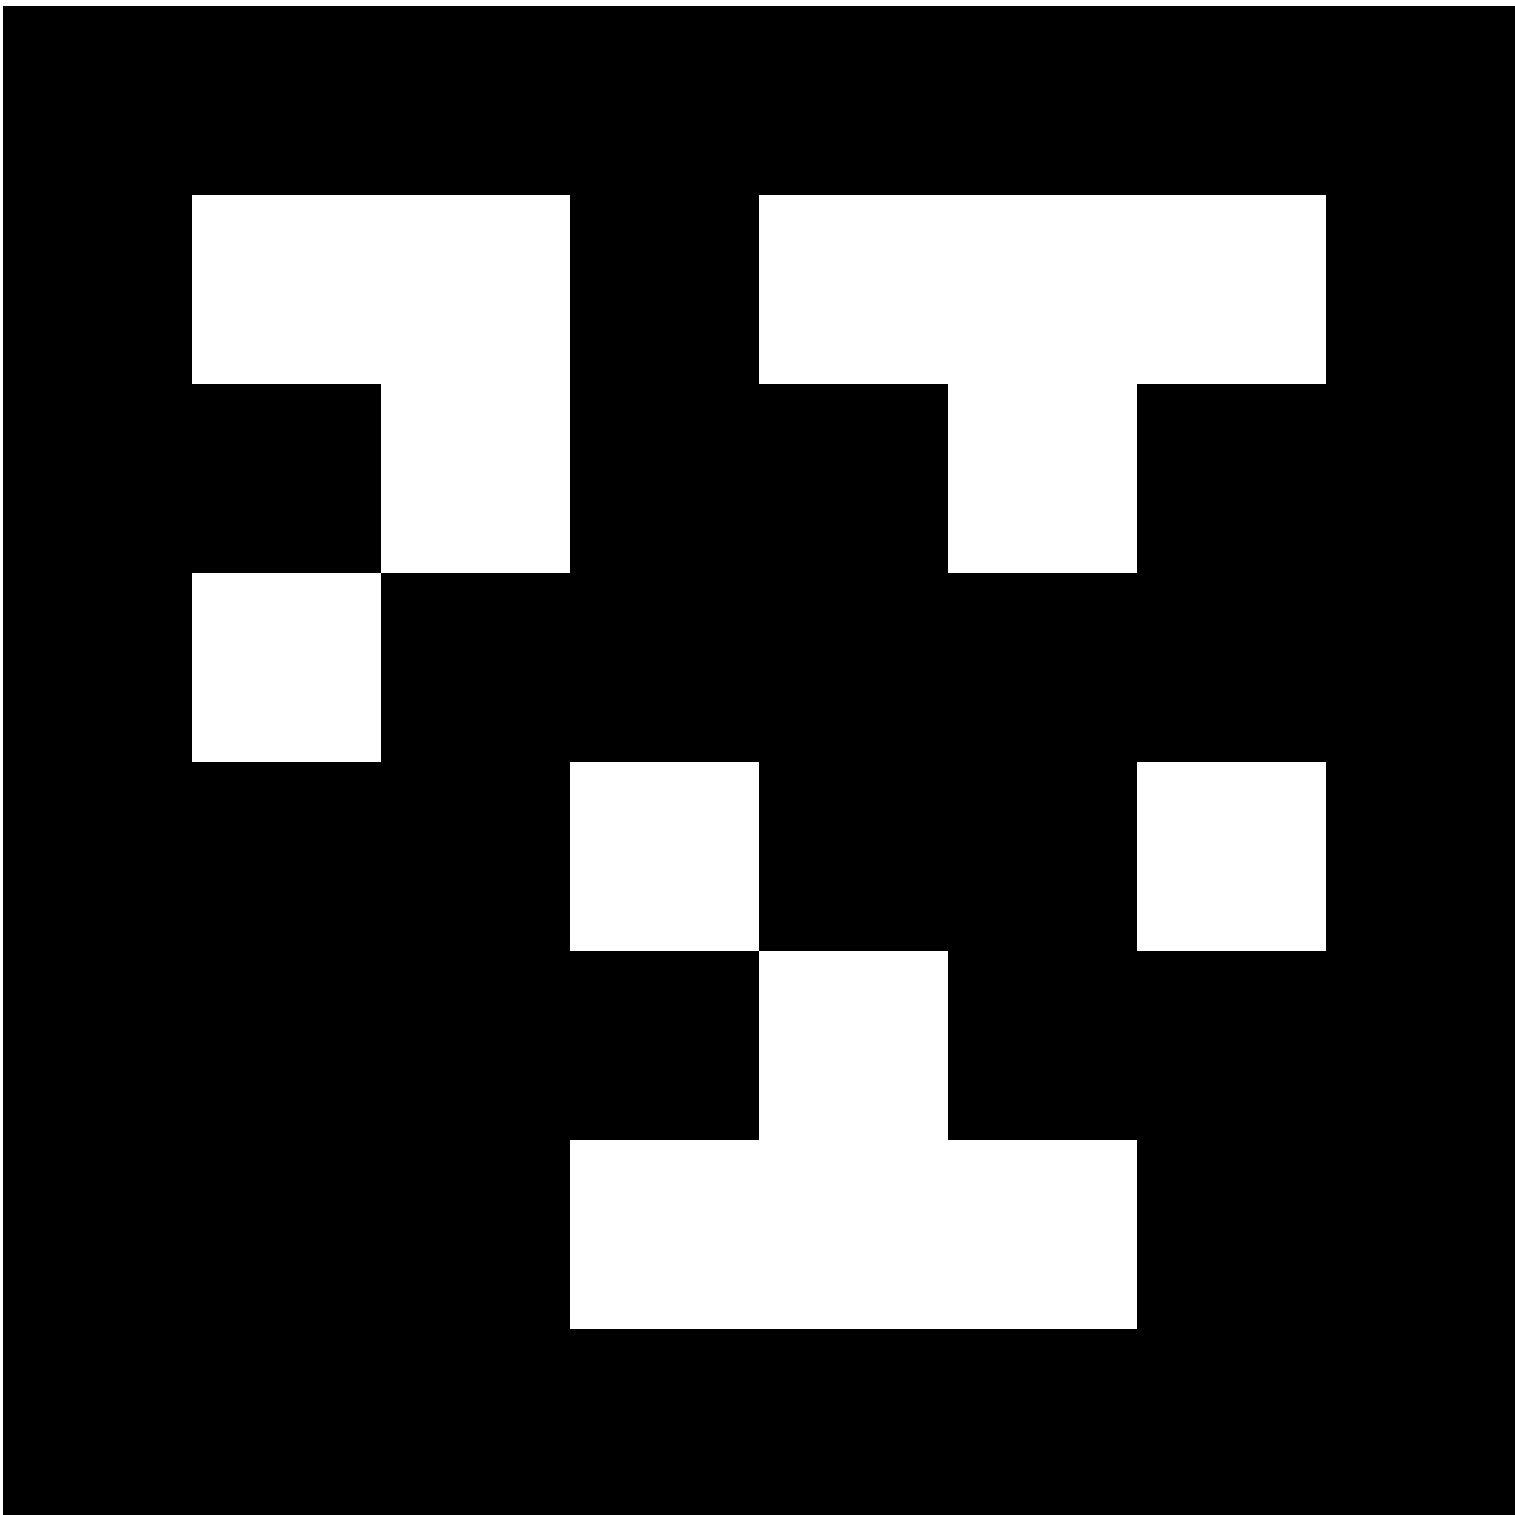

Record measured dimensions in the tag inventory / tags.yaml.

Print one sample first. Use matte, flat mounting. Do not duplicate installed IDs.

AprilTag tag36h11 | ID 002 | Kitchen reserve

Outer black square: 200 x 200 mm (20 x 20 cm)

White quiet zone: at least 25 mm on every side. Keep it blank.

PRINT AT 100% / ACTUAL SIZE on 11 x 17 inch paper.

Disable fit-to-page, shrink, borderless expansion and stretching.

Measure BOTH outer black-square sides after printing: each must be 200 mm.

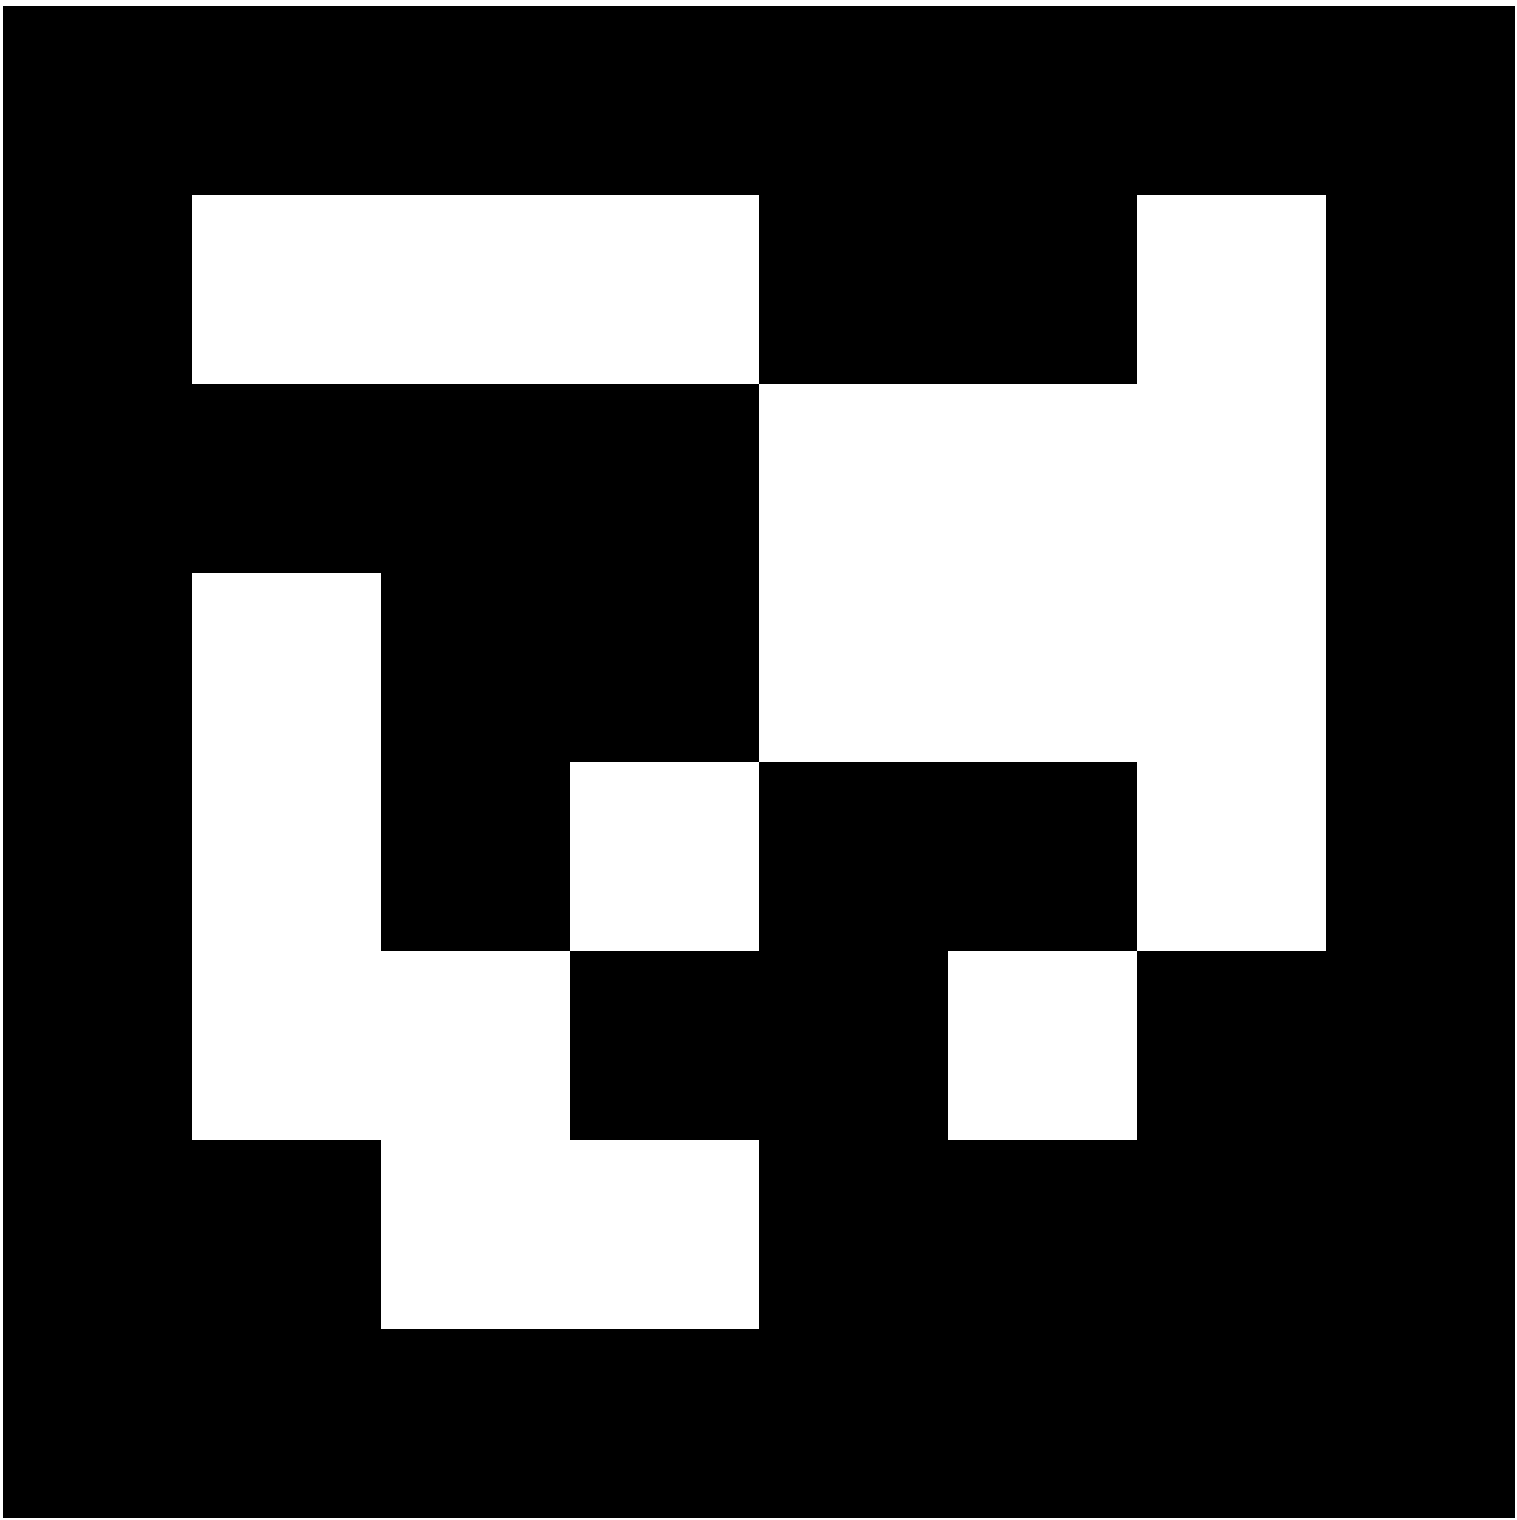

Record measured dimensions in the tag inventory / tags.yaml.

Print one sample first. Use matte, flat mounting. Do not duplicate installed IDs.

AprilTag tag36h11 | ID 003 | Kitchen reserve

Outer black square: 200 x 200 mm (20 x 20 cm)

White quiet zone: at least 25 mm on every side. Keep it blank.

PRINT AT 100% / ACTUAL SIZE on 11 x 17 inch paper.

Disable fit-to-page, shrink, borderless expansion and stretching.

Measure BOTH outer black-square sides after printing: each must be 200 mm.

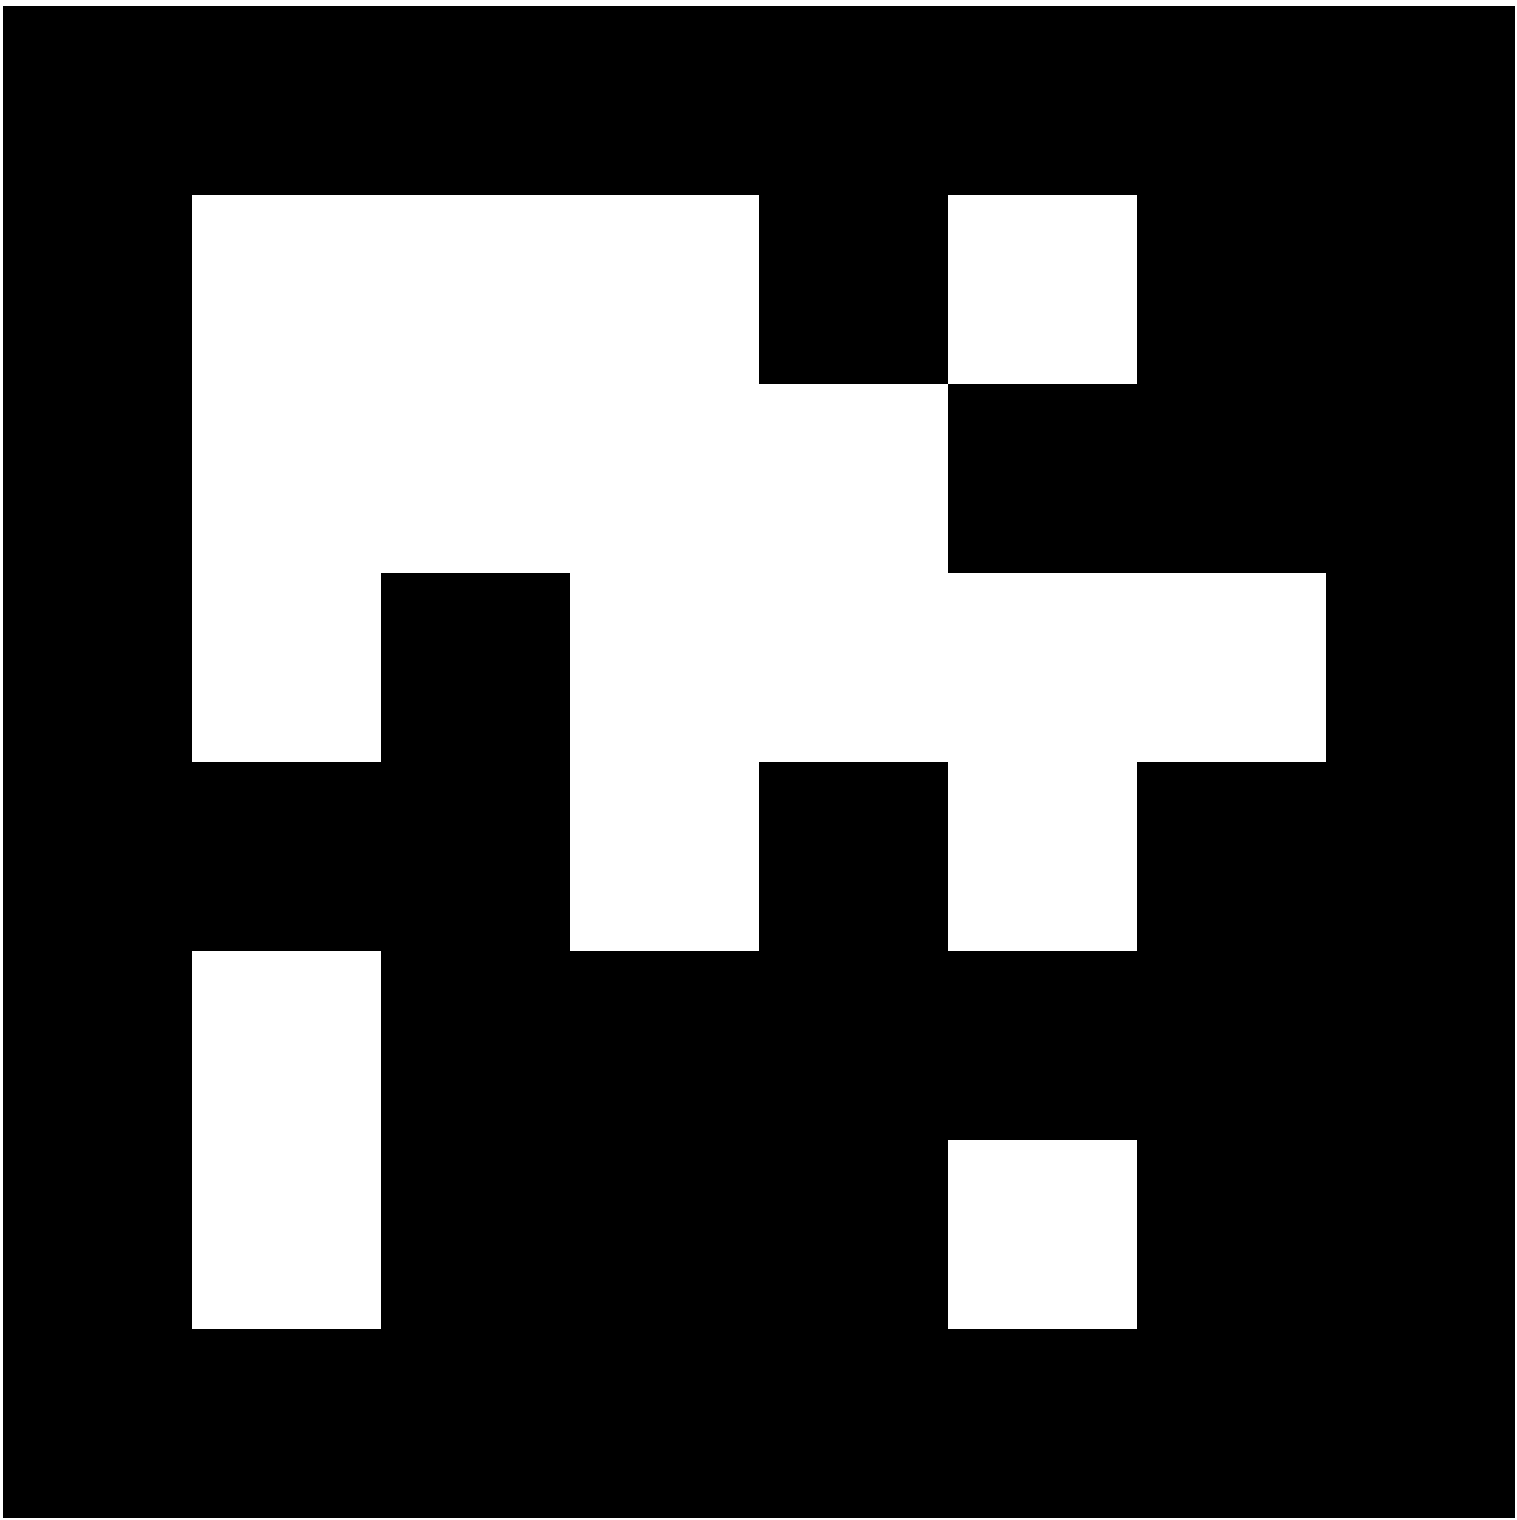

Record measured dimensions in the tag inventory / tags.yaml.

Print one sample first. Use matte, flat mounting. Do not duplicate installed IDs.

AprilTag tag36h11 | ID 004 | Kitchen reserve

Outer black square: 200 x 200 mm (20 x 20 cm)

White quiet zone: at least 25 mm on every side. Keep it blank.

PRINT AT 100% / ACTUAL SIZE on 11 x 17 inch paper.

Disable fit-to-page, shrink, borderless expansion and stretching.

Measure BOTH outer black-square sides after printing: each must be 200 mm.

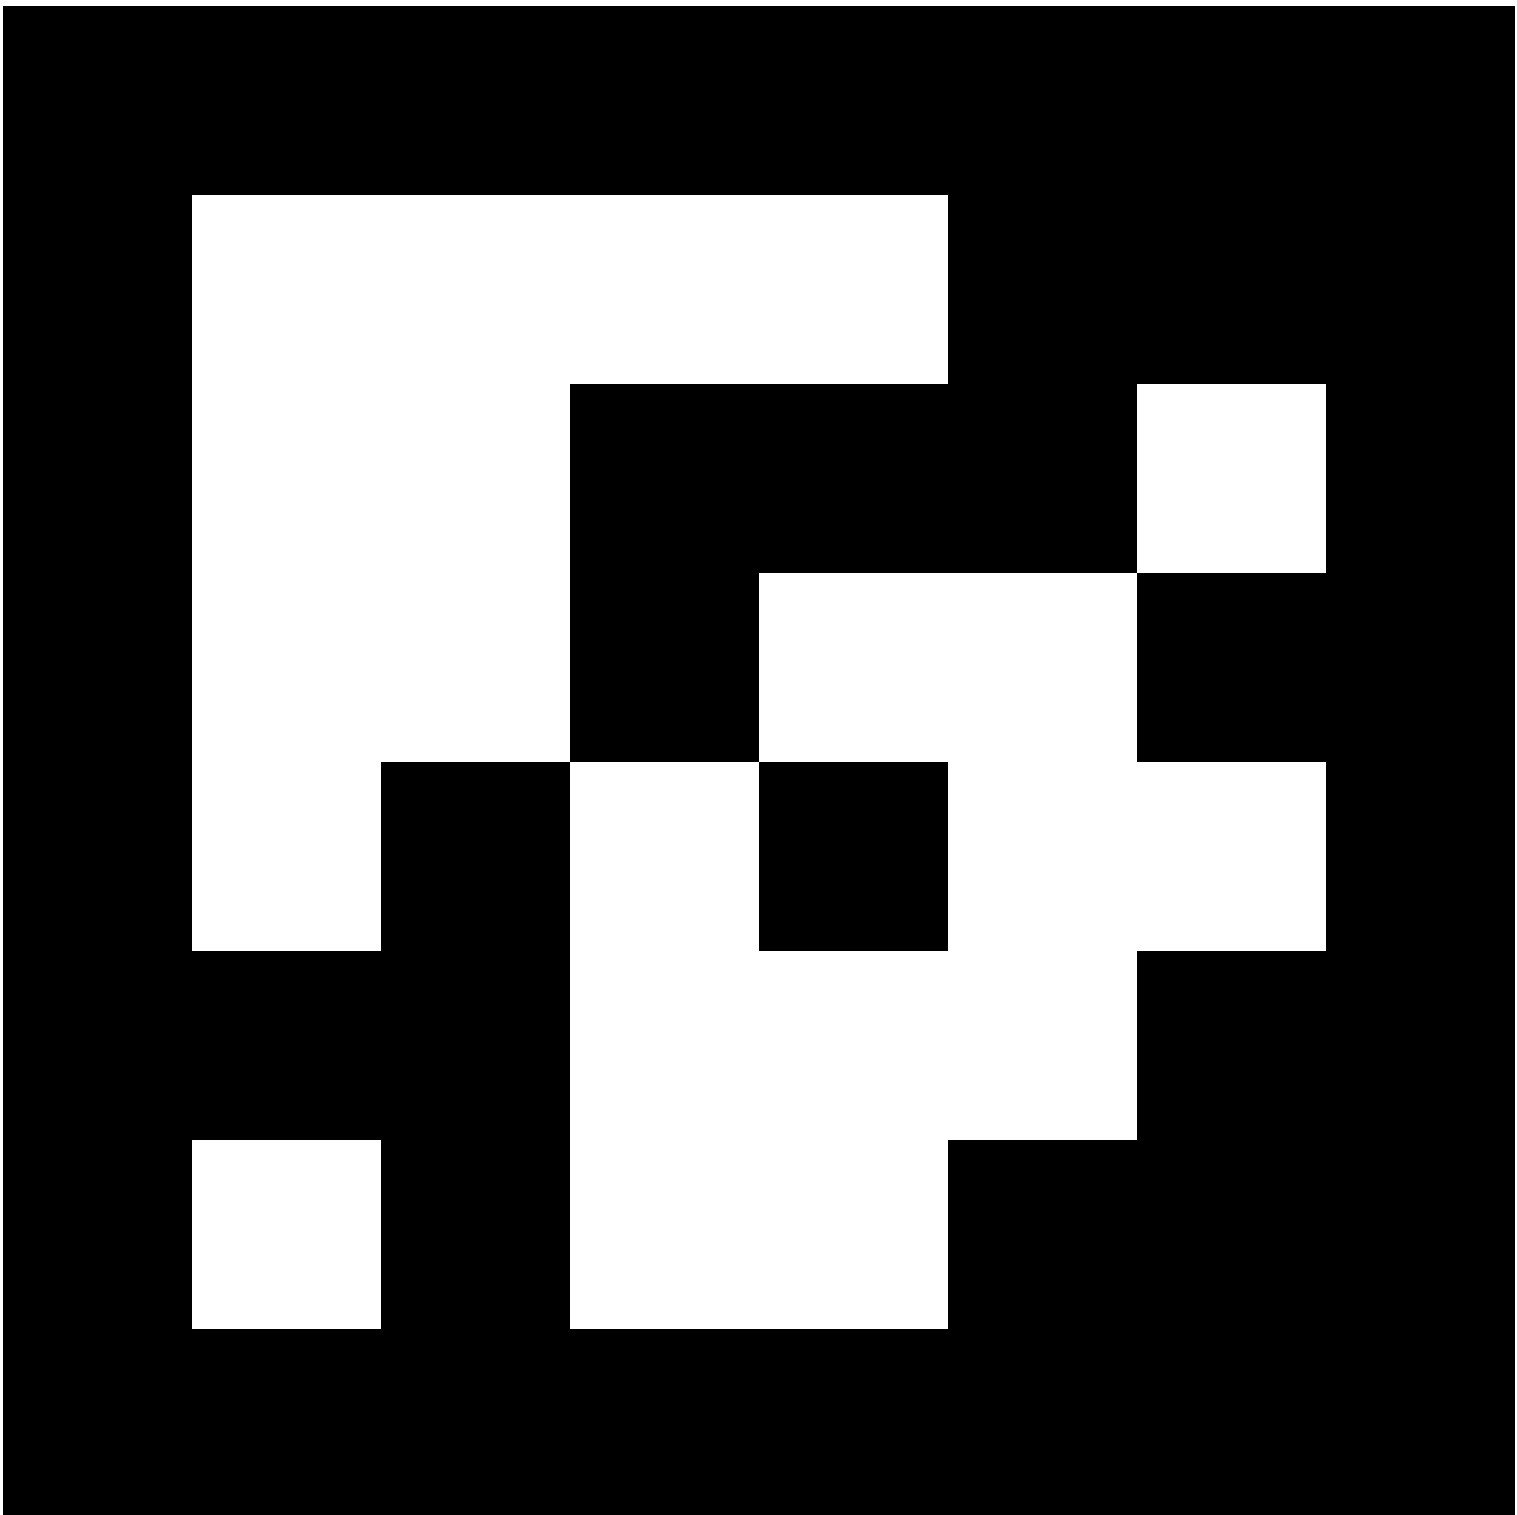

Record measured dimensions in the tag inventory / tags.yaml.

Print one sample first. Use matte, flat mounting. Do not duplicate installed IDs.

AprilTag tag36h11 | ID 005 | Kitchen reserve

Outer black square: 200 x 200 mm (20 x 20 cm)

White quiet zone: at least 25 mm on every side. Keep it blank.

PRINT AT 100% / ACTUAL SIZE on 11 x 17 inch paper.

Disable fit-to-page, shrink, borderless expansion and stretching.

Measure BOTH outer black-square sides after printing: each must be 200 mm.

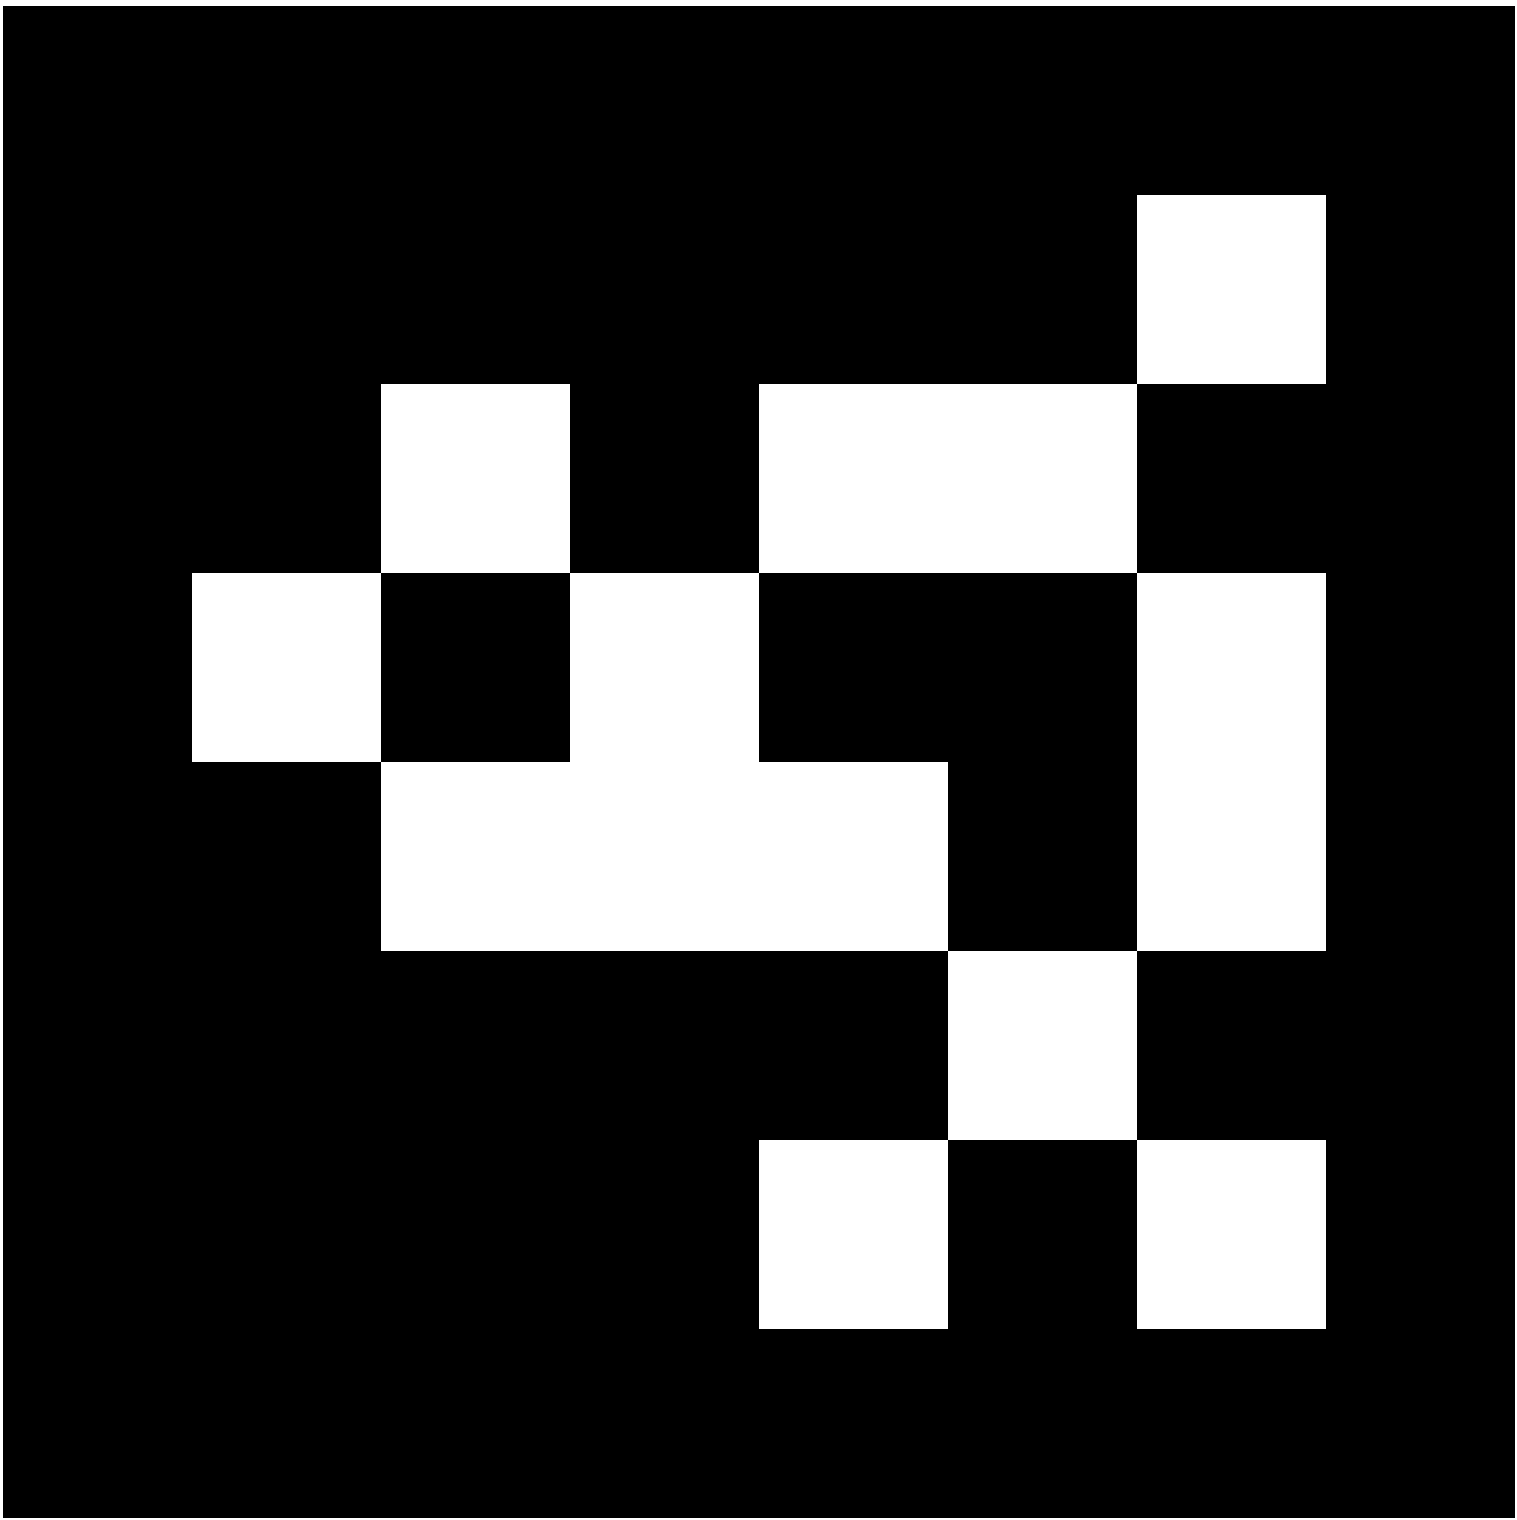

Record measured dimensions in the tag inventory / tags.yaml.

Print one sample first. Use matte, flat mounting. Do not duplicate installed IDs.

AprilTag tag36h11 | ID 006 | Kitchen reserve

Outer black square: 200 x 200 mm (20 x 20 cm)

White quiet zone: at least 25 mm on every side. Keep it blank.

PRINT AT 100% / ACTUAL SIZE on 11 x 17 inch paper.

Disable fit-to-page, shrink, borderless expansion and stretching.

Measure BOTH outer black-square sides after printing: each must be 200 mm.

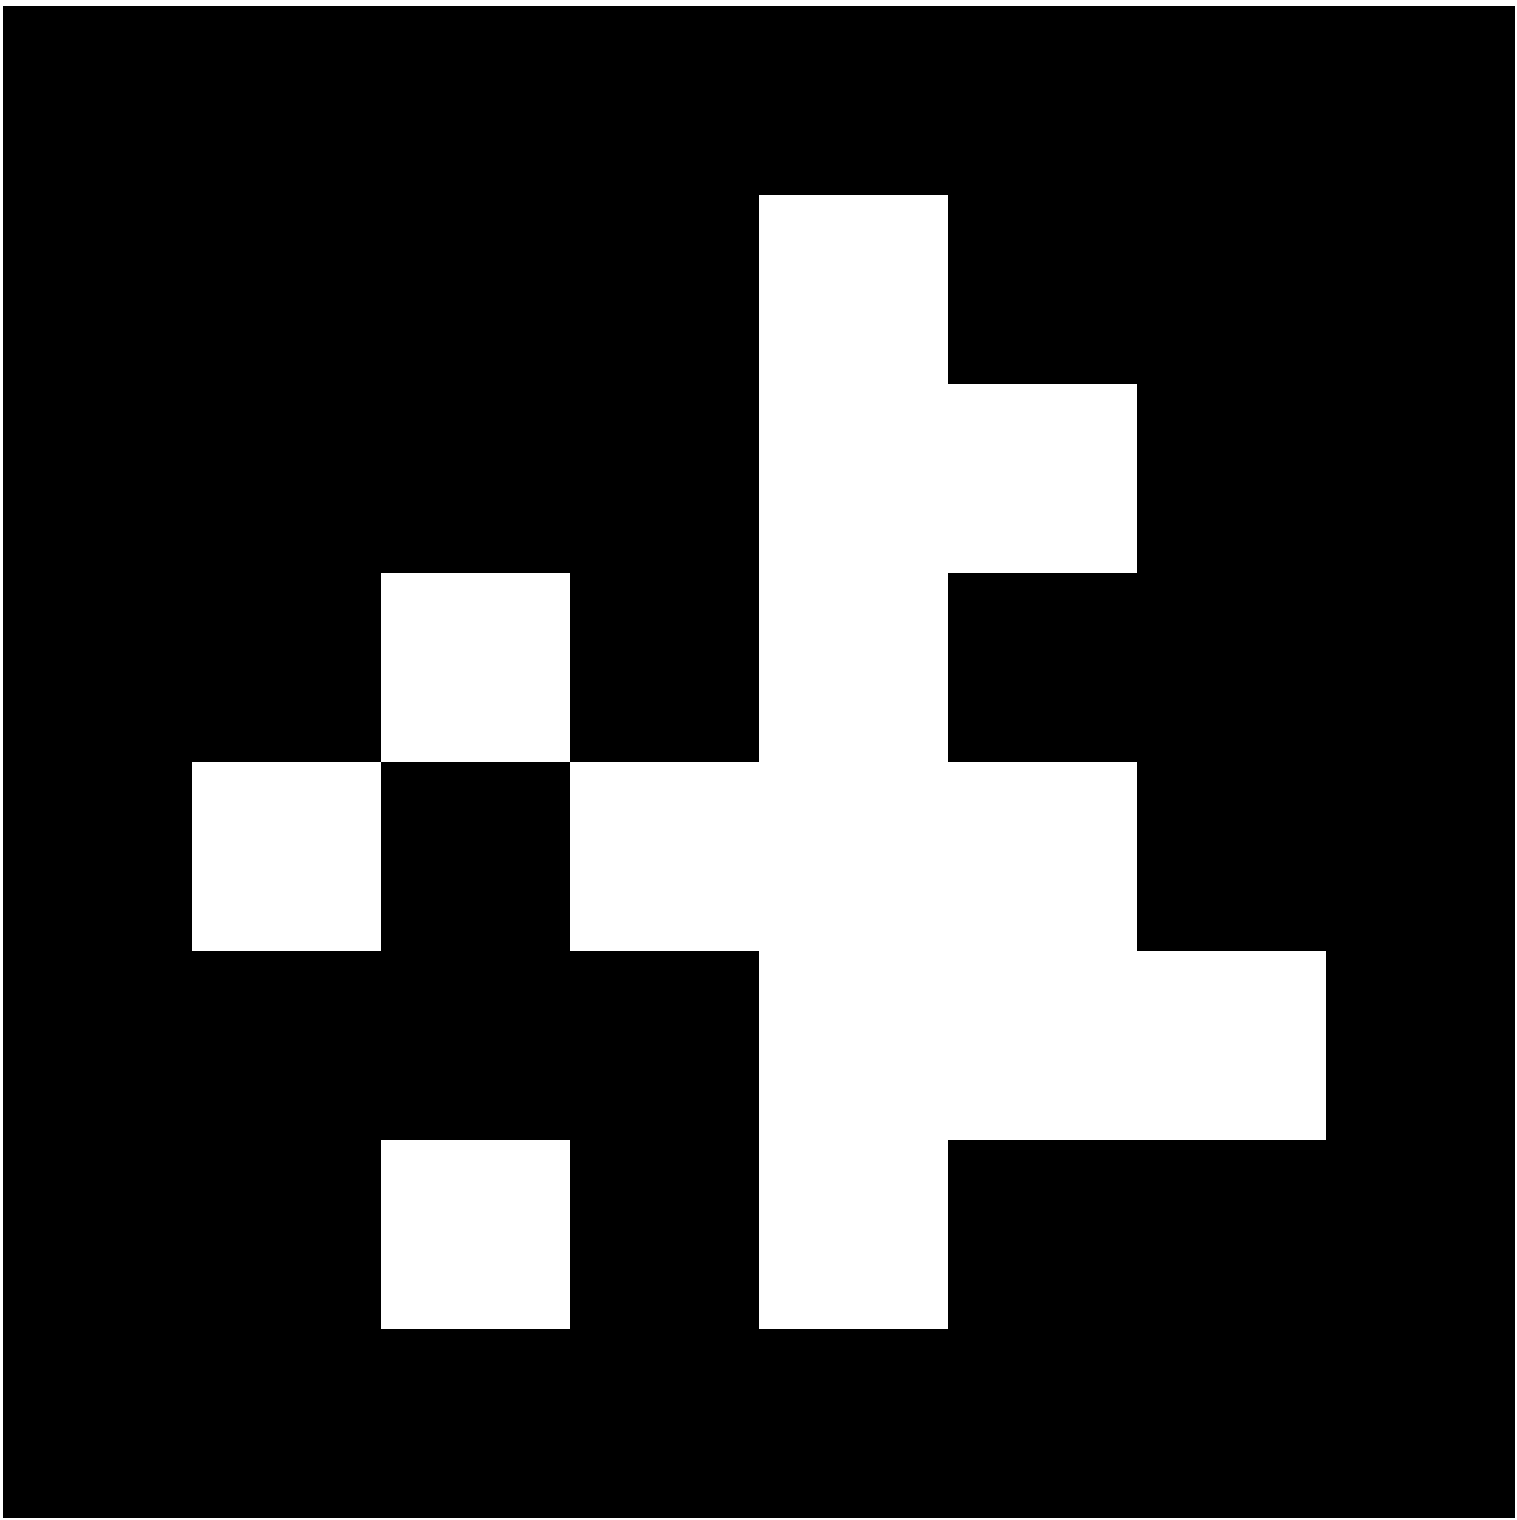

Record measured dimensions in the tag inventory / tags.yaml.

Print one sample first. Use matte, flat mounting. Do not duplicate installed IDs.

AprilTag tag36h11 | ID 007 | Kitchen reserve

Outer black square: 200 x 200 mm (20 x 20 cm)

White quiet zone: at least 25 mm on every side. Keep it blank.

PRINT AT 100% / ACTUAL SIZE on 11 x 17 inch paper.

Disable fit-to-page, shrink, borderless expansion and stretching.

Measure BOTH outer black-square sides after printing: each must be 200 mm.

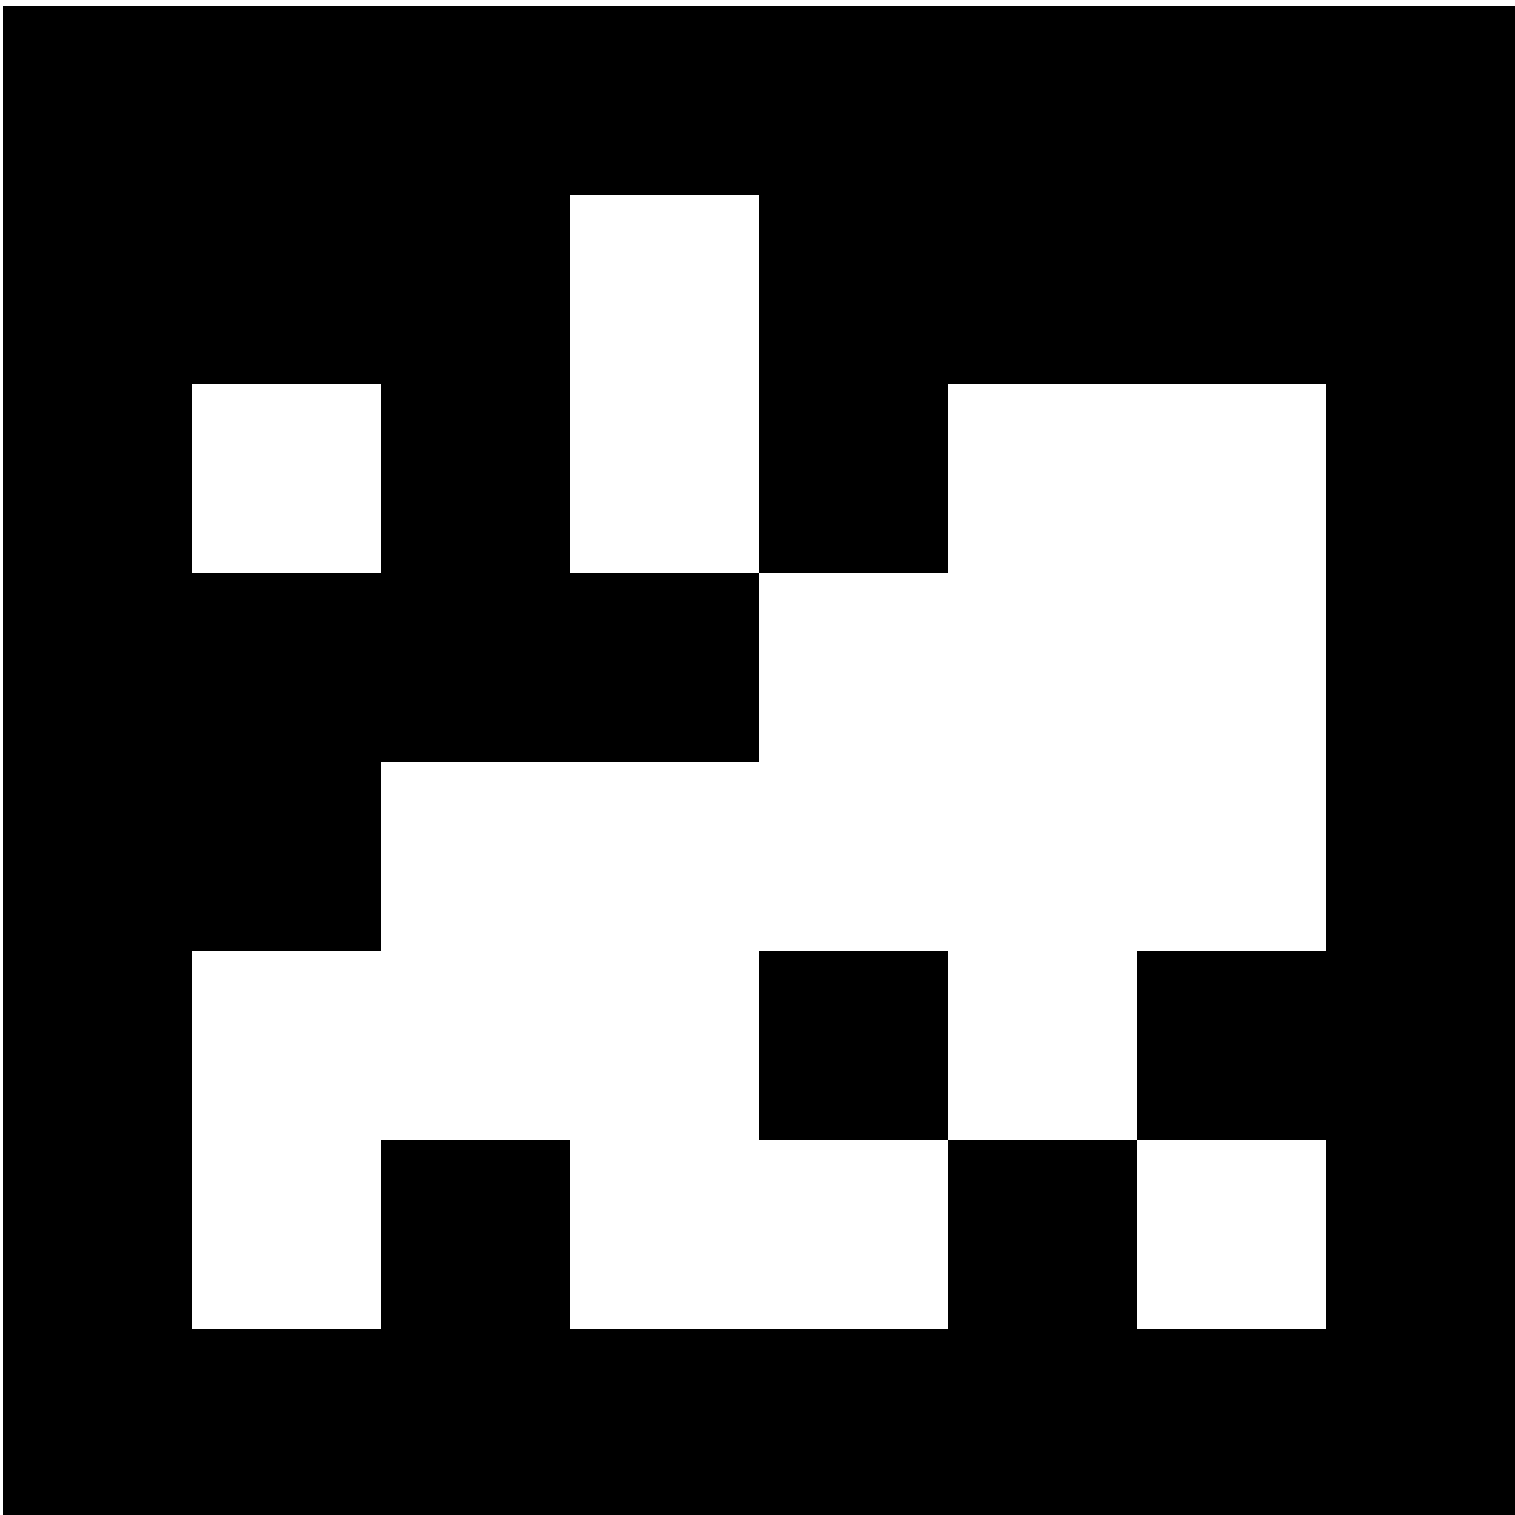

Record measured dimensions in the tag inventory / tags.yaml.

Print one sample first. Use matte, flat mounting. Do not duplicate installed IDs.

AprilTag tag36h11 | ID 008 | Kitchen reserve

Outer black square: 200 x 200 mm (20 x 20 cm)

White quiet zone: at least 25 mm on every side. Keep it blank.

PRINT AT 100% / ACTUAL SIZE on 11 x 17 inch paper.

Disable fit-to-page, shrink, borderless expansion and stretching.

Measure BOTH outer black-square sides after printing: each must be 200 mm.

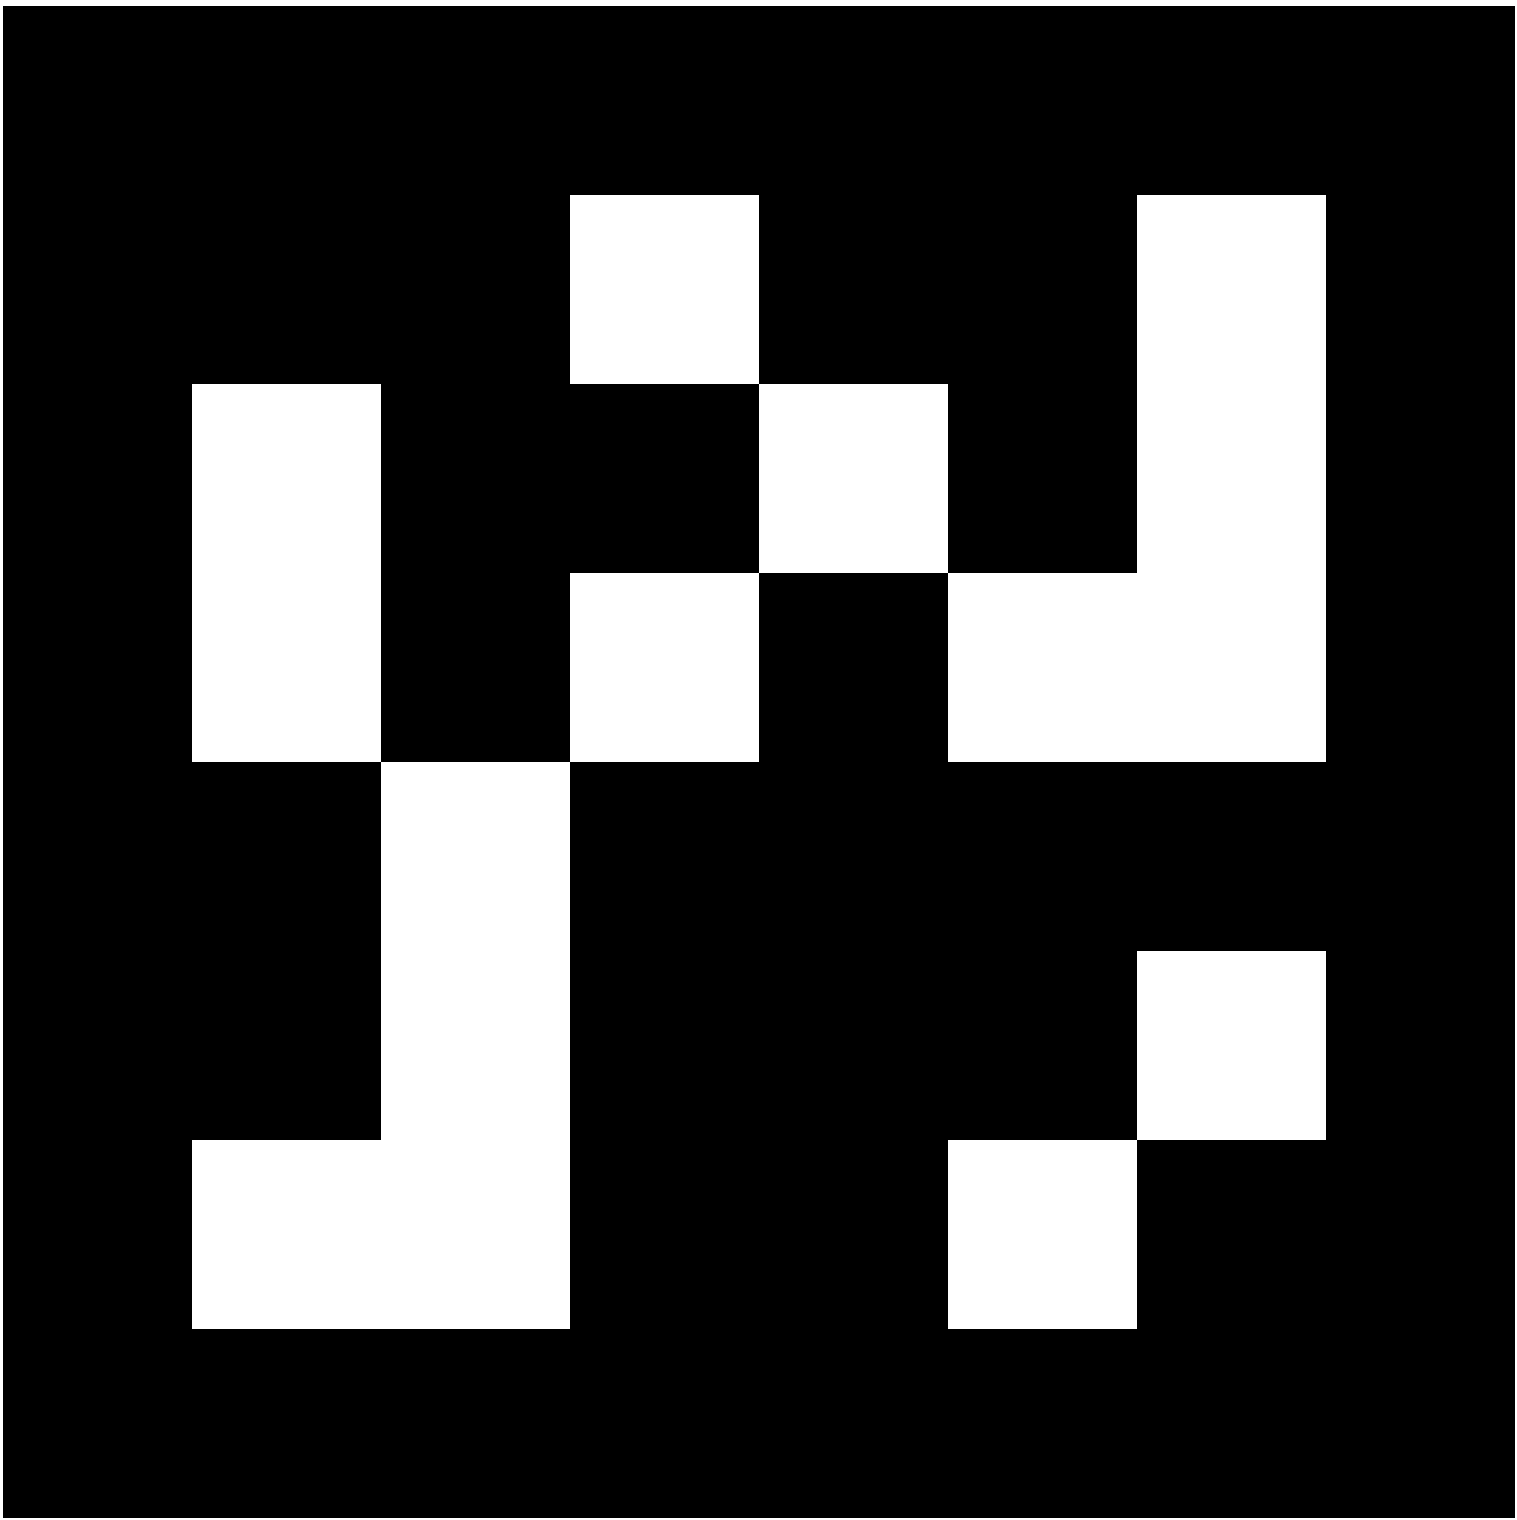

Record measured dimensions in the tag inventory / tags.yaml.

Print one sample first. Use matte, flat mounting. Do not duplicate installed IDs.

AprilTag tag36h11 | ID 009 | Kitchen reserve
